Chamber News

February 2012

Welcome to this months Chamber News

February already – amazing – doesn't seem five minutes since we were taking down Christmas Decorations. Lots of our members have special offers and delightful happenings organised; for example various Valentines day events, Amazing sales and such like; to suit all pockets and wishes and we are happy to help promote your business but you do need to tell us – we trawl websites looking to see what might be going on, register for email updates where possible and often get to hear of things just by chance. So please do help us to help you by letting us know what you are up to in the business world and we will then publicise further – through our newsletter, web sites and special email alerts.

Chamber Member Spotlight – this month it is the turn of David Butcher:

Following a career in sales, marketing and business development, David started Abbey Printing in his garage 18 years ago. Now housed in a 2000sq ft business unit, the growth of the business is testament to the high level of personal service provided over the years.

The business was started with a duplicator and has expanded to include:

LITHO: suitable for long runs on a variety of stocks and finishes and is ideal for brochures, marketing materials and business stationery.

DIGITAL: best suited to short run presentation quality marketing materials

and now ECOcolour: using the latest digital inkjet technology perfect for producing functional printing such as newsletters, forms, work books , and more.

Now expanding into low cost web design and hosting, David sees a bright future ahead. In a recession people need to think about all of the different ways of contacting potential customers and this is a business that can help you.

You can contact David by phone 01666 825989, Email info@abbeyprinting.co.uk or visit the websites www.abbeyprinting.co.uk & www.abbeywebhosting.co.uk.

Coming Next Month – York House – fabulous new B&B opening in March – and don't forget to pick up a copy of the March Edition of Cotswold Life where businesses old and new are highlighted along with the very best our historic town has to offer.

Next Gathering of our Business Ladies Dining Club

Has been confirmed as Thursday the 15th March. To be held at The Close Hotel in Long Street meeting from 7pm to sit down approximately 7.30pm.

You don't have to own your business - the only criteria is that you are "a lady" – sorry gentleman, but that's the way it is. We do organise the occasional event to include you as well so you don't have to feel too hard done by.

To join us that evening please contact Kathryn to reserve your place – either by phone/text on 07885 106717 or email kathryn.limoi@btinternet.com.
