#### Support The Students at Sir William Romney's School

Local Businesses can help to support the students at Sir William Romney's in several ways; by providing Placements and/or Mock Interviews to Year 10 students and/or by Sponsoring one of a range of Awards for the Year 7, 8 and 9 students at their end of year Achievement Awards ceremony.

As we all know, Placements are terribly important in helping our youngsters to gain an insight into the workplace and Mock Interviews are invaluable in providing the students with interview experience, in a secure and sympathetic environment, but with a very 'real' feel, due to the involvement of local Business folk like your good selves. Sponsoring one of the range of Awards that will be handed out to the Year 7, 8 and 9 students won't break the bank by any means and you might also like to become further involved from this aspect. Either way, please contact Kathryn Limoi (email and telephone numbers to the left) in the first instance, who will put you in touch with the relevant contact at Sir William Romney's.

### Annual Chamber Tour of Highgrove Gardens

Chamber Members have once again been offered the opportunity to take a tour of the Gardens belonging to HRH Prince of Wales at Highgrove on Tuesday 10th August 2010 at 2pm at a cost of \*£10 per person. Places are available on a first come first served basis and interested Chamber Members should contact Kathryn Limoi in the first instance to reserve their place. \*Please note that all monies raised are for the benefit of charities supported by The Prince of Wales Trust.

### Blenheim Charity Triathlon Completed

Great news in that Colin Horton recently completed his charity Triathlon. As you may recall, Colin took part to help raise funds for the play area at the Tetbury Recreation Ground. If you haven't had a chance to donate as yet and would like to, you can do so via the Sponsorship site that has been set up as follows: [www.everydayhero.co.uk/colin\\_horton](http://www.everydayhero.co.uk/colin_horton). Well done Colin!

### Market Place Remedial Works

The Chamber have been informed that the remedial works to the Market Place Pedestrianisation Scheme will start on Monday 5th July 2010 and it has been agreed that the Contractors will work on small areas at a time to keep disruption to a minimum. These works will be completed on 16th July 2010. Also, the additional parking spaces have been put out to consultation, which ends on 15th July and so long as there are no objections, this work will be completed by the end of July 2010.

### The Close Hotel Planning & Listed Building Consent Application Meeting

The Close Hotel are about to submit Planning and Listed Building Consent Applications for major works, including an extension. Interested parties/businesses are therefore invited to a presentation of these plans on 5th July 2010 at 6pm at the Close Hotel to learn firsthand what is proposed. #### Where Am I?

The answer to this month's Brainteaser is that the weathervane pictured is in Hampton Street, near to the wine shop. Well done if you guessed correctly.
